ABOUT

Welcome to Periyar University

The Government of Tamil Nadu established Periyar University in Salem on 17th September 1997 as per the provisions of the Periyar University Act, 1997. The University has jurisdiction over four districts: Salem, Namakkal, Dharmapuri, and Krishnagiri. The University obtained 12(B) and 2(f) status from the University Grants Commission, New Delhi, and was re-accredited by the NAAC with an "A++" Grade in 2021. In 2024,, it secured the 56th rank among Indian Universities by MoE NIRF

The University is named after the great social reformer E.V. Ramasamy, affectionately called "Thanthai Periyar". The University aims at developing knowledge in various fields to realise the maxim inscribed in its logo "Arival Vilayum Ulagu" (Wisdom Maketh the World). The holistic development of students is the primary objective of the University. Periyar University imparts higher education through three modes: Departments of Study and Research, affiliated colleges, and the Centre for Distance and Online Education (CDOE). The University has 27 departments and 118 affiliated colleges.

DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science was established in 2002 with the objective of imparting quality education in the domain of Computer Science and Applications. With rapidly evolving technology and the growing need for innovation, the Department has consistently produced quality professionals holding significant positions in the Information Technology industry in India and abroad. The Department regularly updates its syllabi to attract young talent from across the country. In recent years, academic activities have centred on teaching and research programmes in computer science, with a view to training postgraduates and researchers who can contribute meaningfully to the needs of professional organisations.

VIBE 2025

VIBE 2025 – Value-driven Innovation for Better Era is the technical symposium organized by the Department of Computer Science, Periyar University. Scheduled for 26th September 2025, this one-day event is designed to bring together students, researchers, and industry professionals to explore, exchange, and celebrate innovations in the field of Computer Science and emerging technologies.

ABOUT VIBE 2025

VIBE 2025 – Value-driven Innovation for a Better Era is the technical symposium organised by the Department of Computer Science, Periyar University. This one-day event, scheduled to be held on 26th September 2025, is designed to bring together students, researchers, and industry professionals to exchange ideas, explore innovations, and celebrate advancements in the field of Computer Science and emerging technologies.

The vision of VIBE 2025 is to inspire innovation, encourage collaboration, and promote ethical and impactful technology for building a better digital future. By bridging the gap between academia and industry, the symposium aims to cultivate creative problem-solving skills and foster value-driven innovations among participants.

The symposium features a wide range of stage and off-stage events, including Paper and Poster Presentations, Technical Quiz, Data Vision, Social Engineering App Design, and API Fusion. These events provide unique opportunities for participants to showcase knowledge, creativity, and technical skills in both individual and team-based formats.

More than just an event, VIBE 2025 is a celebration of innovation, technology, and collaboration, designed to inspire participants to think beyond boundaries and create value-driven solutions for society.

GENERAL GUIDELINES FOR PARTICIPANTS

- 
- A faint, stylized illustration of a robot with a large head, a small body, and a single visible eye. The robot is positioned in the center of the page, behind the list of guidelines.
- ✓ **Students enrolled in undergraduate/ postgraduate programmes in Computer Science, Data Science, Information Technology, or related disciplines are eligible to participate.**
 - ✓ **Participants must present an undertaking letter and a valid institutional identity card.**
 - ✓ **Registration shall be completed exclusively through the official website.**
 - ✓ **Participants must be formally attired and are required to report at the venue at least 15 minutes prior to the commencement of the symposium.**
 - ✓ **A maximum of three teams per college shall be permitted. Each team may comprise no more than six members.**
 - ✓ **Each student may participate in a maximum of two events and may register for only one event per session, either in the forenoon or the afternoon.**
 - ✓ **Participants are advised to seek clarification of any doubts from the respective event heads in advance.**

VIBE

TECHNICAL EVENTS

PAPER PRESENTATION

Team Size : 1 - 2 members

Date : OCT 08

Eligibility : UG & PG

Language : English Only

The VIBE Event: Paper Presentation encourages students to think deeply about research and share their new ideas, recent trends, and academic work in Computer Science and related areas. Following the theme of VIBE – Value Driven Innovation for Better Era, the event focuses on creative, ethical technology that benefits society. Candidates should choose topics based on VIBE. Designed like a mini-conference, it gives students a chance to showcase their originality, technical skills, and communication in a professional way.

ON SPOT REGISTRATION AVAILABLE

₹1000 ₹1500 ₹500

POSTER PRESENTATION

Team Size : 1 - 2 members

Date : OCT 08

Eligibility : UG & PG

Language : English Only

The Poster Presentation event is designed to promote visual communication of technical ideas and innovative concepts, encouraging participants to present their research, project ideas, or technological solutions as posters that combine creativity and technical depth. Following the theme of VIBE – Value Driven Innovation for Better Era, candidates should choose topics based on VIBE. The event assesses both the technical content and the ability of students to express complex concepts clearly, concisely, and in a visually appealing way.

QUIZ

Team Size : 1 - 2 members

Date : OCT 08

Eligibility : UG & PG

Language : English Only

The Technical Quiz is a fast-paced event designed to test your knowledge, speed, and presence of mind in the field of Computer Science and general technology. Participants will face a mix of conceptual questions, logical puzzles, and real-world tech scenarios that challenge both accuracy and quick thinking.

PROMPT BUILDER

Team Size : 1 – 2 members

Date : OCT 08

Eligibility : UG & PG

Language : English Only

The Prompt Builder event is designed to nurture creativity and logical thinking among students in the emerging field of Artificial Intelligence (AI) prompt engineering. In the age of AI-powered applications, the ability to construct precise, structured, and context-rich prompts has become a highly valued skill. This event encourages participants to explore how carefully crafted prompts influence the accuracy, creativity, and usefulness of AI-generated outputs.

SOCIAL ENGINEERING APP

Team Size : 1-2 members

Date : OCT 08

Eligibility : UG & PG

Participants must design and present an interactive application (web/mobile/desktop) that simulates different social engineering attacks (e.g., phishing, vishing, tailgating) and educates users on preventive measures.

API FUSION

Team Size : Individual

Date : OCT 08

Eligibility : UG & PG

Language : English Only

API Fusion is a hands-on technical challenge that emphasises practical programming skills and real-world problem-solving. Participants will focus on API (Application Programming Interface) integration, designing and implementing functional applications using a predefined set of APIs.

DATA VISION

Team Size : 1- 2 members

Date : OCT 08

Eligibility : UG & PG

Rounds : 2

This event emphasizes not only technical skills but also the ability to communicate data-driven insights effectively. Participants will be evaluated on problem-solving, creativity, clarity, and storytelling impact.
